Title: Need for early payment of bonus to the employees of Union Territory of Chandigarh-Laid.

SHRI PAWAN KUMAR BANSAL (CHANDIGARH) : In the past the employees of Union Territory Chandigarh were duly paid bonus, year after year. This is their rightful due. But now for the last four years, the Chandigarh Administration have stopped paying the same. This has caused understandable consternation amongst them. Peacefully, they have been demanding that their right should not be denied to them. Files keep shuttling between Chandigarh and New Delhi and the peace-loving employees continue to suffer. I urge the Government to look into this matter urgently and pay the outstanding arrears of bonus to all the eligible employees without any further delay.
